CUSTOMER AGREEMENT

I hereby verify that I am aware that the hookup fees and State utility access fees noted below are only minimums and I agree to pay any and all of the Borough's hookup costs and State permit charges applicable above these minimum fees as well as all other standard fees. I further agree to comply with the provisions of the sewer and water regulations. I understand that service lines on private property must be a minimum of 1" in diameter. I understand that if I am applying for a commercial or industrial water use, I am responsible for the cost of the water meter and its installation. This application is a request for service and does not bind the Borough to furnish service.
